

Lincoln County Apple Festival T-shirt Design Application
Deadline: April 17, 2017

Each year, the Lincoln County Apple Festival Board of Directors selects one original design for the featured festival t-shirt.

Hint: This is our 45th year, and the first Apple Festival was in 1972. We'll give extra consideration to designs that highlight this celebratory year.

Guidelines:

- Applicants must be Lincoln County residents
- Designs must be original creations by the artist
- The design should appeal to all ages and reflect the spirit of the festival: *celebrating our county's apple harvest.*
- One artist may submit multiple designs accompanied by one application
- The ideal design will have bright colors, clean lines, and will be suitable for screen printing on a colored shirt
- The design must incorporate the year, 2017, and the name of the festival: Lincoln County Apple Festival
- Concept drawings are welcome, but should include enough color and detail to attract the judges
- Computer files in PDF format are welcome for judging purposes. Include application with entry
- If your design is chosen as the overall winner, the Apple Festival may request the original art and/or native files.
- Prizes are \$200 for 1st place; \$100 for 2nd place; \$75 for 3rd place overall.
- The board will confirm the winning designers and notify all winners on or before May 31.
